BOWOOD PGA GOLF ACADEMY

The PGA Bowood Golf Academy offers golf lessons, first-class coaching and the latest golf analysis and technology.

GOLF LESSONS

If you're new to golf or simply looking to refine your swing, our team of PGA Professionals can help you with your game and introduce you to a level of golf you never knew you could achieve.

First-class golf coaching is available to members, guests and hotel residents alike.

JUNIOR COACHING

Our Junior PGA Golf Academy is our youth coaching programme aimed at children of all ages, encouraging a new generation of golfers to learn about golf in a fun, relaxed and safe environment.

We hold regular courses and lessons throughout the school holidays and during term time at weekends, tailored specifically to junior golfers.

SPECIALIST COACHING & TECHNOLOGY

For the more advanced golfer, we can offer tailored specialist coaching, using the latest in golf analysis technology, to further enhance your game.

With advanced technology such as Trackman and FlightScope Launch Monitors, K-VEST 3D Motion Capture Analysis, we will capture you in action and evaluate your swing, drills and exercises, improving your technique.

PGA ACADEMY FACILITIES

- The 3-hole PGA Academy Course comprises a trio of par 3's designed to the same standard as Bowood's PGA Championship Course
- Short Game Area – large putting green, practice bunkers and chipping area
- Fully Equipped Driving Range – floodlit, covered bays and a grass practice tee combine to offer a first-class year round facility
