! Ha Ha's are sudden changes in the height of the land situated within the grounds to prevent access to certain areas without obstructing views. Please be aware of the dangers that these hidden drops can present and be cautious when walking or playing near to them. Each Ha Ha has warning signs close to its edge as well as being highlighted on this map. Please note the lake is unfenced, please take care when in this area.

Important Information

- Please use the recycling bins available throughout the grounds
- Grass and steps throughout the grounds can be extremely slippery when wet
- Some surfaces may be uneven
- Water fountains are for aesthetic purpose only, no bathing or swimming
- The Cascade Cave is in complete darkness, please take care
- The Bowood Lake is strictly off limits to the general public
- Smoking or vaping are not permitted on site
