## Woodland Walks & Rides

There are over two miles of meandering paths through the valleys.

The Walks and Rides are named after members of the family. The exceptions are Pauline's Ride, named after the Hon. Mrs. Spencer-Clay, David's Ride named after a retired Head Groundsman and Sir Henry's Walk named after a family friend.

**Please note:** Well behaved dogs on leads are welcome. The terrain can be uneven and may not be suitable for those with mobility issues. However, there are plenty of benches situated throughout the Woodlands. Barbecues are not permitted and please take any rubbish home with you.
